

Reciprocal approval of externally approved projects

If your project is being reviewed by an Ethics Committee external to the University, other than NHS REC, before being submitted to FHMREC, please contact the [FHM Research Ethics Office](#) who will be able to advise you on the appropriate procedure.

You should note that:

- It is preferred that projects are approved by the FHMREC. Whilst it is preferable, it is not essential that projects are approved by the FHMREC.
